

SRSRC TENNIS LEAGUES

All Leagues are facilitated through our Tennis Committee and Pro Robin Harris. If you would like to participate in league play please contact our tennis Pro by calling 858-271-6222 and leave a message for Robin. A schedule of league team play is at the Aviary desk or on srsrc.com website.

Because of limited court availability, there is a maximum of two teams, per playing level, allowed to enter each league division per season. The duration of these leagues varies based on how many teams participate. Approval for Non Club Sponsored League teams is made by Staff and the Tennis Committee.

Round Robin, Match Play and Progressive Leagues: Look for announces signup schedules.
